

MODEL ENGINEERING COLLEGE, THRIKKAKARA

NOTICE

1. All students who would like to avail the college bus facility for the seventh semester are directed to submit the printout of the application after online entry at <http://www.mec.ac.in/bus> before 07/07/2017.
2. Timely submission of application as above is essential to schedule the service properly and to arrange hired service if necessary. In absence of sufficient applicants to economically run the bus in any route, the route will be either cancelled OR rescheduled.
3. No body will be allowed to travel by college bus without a valid pass and college ID card.
4. The last date of submission of application will not be extended as the preparatory arrangements for hiring of additional buses are to be completed.
5. If the number of application received in any particular route exceeds the seating capacity of buses scheduled in that route, and if the number of such excess applications is not sufficient to schedule another bus, the excess applications will be rejected giving priority on first come first served basis.
6. The bus service will be operated on running expense sharing basis and hence all users are expected to pay the share amount. The bus pass fee for one semester is estimated to be around Rs.2000/-. Hence the students who have submitted their online application will have to remit an advance of Rs.2000/- after getting the printout of the application numbered from the bus office. The actual amount will be decided after processing the application and balance amount deducting the advance already paid if any has to be remitted separately on commencement of the classes.

All are requested to cooperate.
